Dear Crystal,

I am reaching out on behalf of the Technology Policy Institute, its president, and its board to invite you to save the date to attend our summer forum this August 15-17, 2021 in Aspen, Colorado. By June 1, we will finalize our plans to host the in-person conference, and will send an invitation letter to you with a full agenda.

Each year at the Aspen Forum, we convene experts to discuss topics relevant to telecommunications and technology policy. We would be pleased if you would like to participate in the conference this summer. We have found that the forum is an important opportunity for us to host policymakers and academics along with members of the private sector for policy discussions. Here's some information on our past Aspen Forums, <https://www.tpiaspenforum.tech/>. We are still working on the 2021 speaker agenda, but for your reference, the 2020 agenda is here, <https://www.tpiaspenforum.tech/agenda>.

As a government employee, you may need to obtain ethics clearance to attend the forum. Our team including myself, Jane Creel, and Ashley Benjamin will prepare an ethics packet and answer questions regarding program attendance by government employees. As a 501(c)(3) organization, ethics rules allow us to offer and pay for travel, accommodations, and incidentals associated with your participation, as well as waive registration fees for speakers. Please note this conference is well-attended and open to the public. Virginia CLE credits will also be available for attorneys, pending approval of the final agenda.

Best, Sarah Oh

21. Lodging and meals are above the GSA rate. TPI planned to provide complimentary lodging to all government participants at the St. Regis Aspen Resort, however, the Aspen Mountain Chalet (or comparable hotel) was selected for Senate staffers because it is less expensive than the St. Regis Aspen Resort and is less expensive than other nearby hotels. Meals are the same provided to all attendees and is included in the registration fee. We were not able to negotiate a less expensive meal option that complies with the GSA per diem rate.
